REFERENCE : Memo to Exec dated 20 Nov requesting that [REDACTED]
[REDACTED] be exempted from jury duty.

25X1A

1. Favorable action cannot be taken on request contained in reference due to the fact that statutes in some localities do not permit general exemptions, and it has been our experience that members of the judiciary who act on such requests often react unfavorably even to requests for postponement of jury duty.

25X1A

2. Cases which fall within the provisions of Administrative Instruction [REDACTED] for postponement to meet temporary emergencies should continue to be submitted to the General Counsel as they arise.
